## CONFIDENTIAL

### GROUP HOLDS VERY CHOICE EVENT

Everything will be coming up roses for an elite few on Thursday, and we expect the event to be well catered. Wedding planner **Abigail Kirsch**, restaurateur **Stephen Starr** and 19 other members of the Chosen Few — an organization founded by event planner **Harriette Rose Katz** — will gather at Le Cirque for the group's first anniversary. Floral designer **DeJuan Stroud**, who's worked for **Justin Timberlake** and **Robert De Niro**, is also expected to attend.
