NIGHTLIFE

STITCH

Lucia Hwong Gordon chaired a shopping event at Stitch, Rose Dios's chic clothing boutique at 22 Nugent Street in Southampton. The shop, which showcases the designs of Regina Kravitz, encourages clients to collaborate on their designs by choosing from their collection of over 100 fabrics. Fans have included everyone from Khloé Kardashian to Alec Baldwin. The evening, which featured original songs by singer-songwriter Maria Ellis, benefited the East End's Have a Heart Community Trust, which supplies emergency relief to families in times of crisis. haveahearthamptons.org The committee included Lady Liliana Cavendish, Sara Galloway, Aviva Drescher, Emanuele Fiore, Janna and Zoe Bullock, Randi Schatz, Jennifer Myles, Nancy Pearson, Liz Derringer, and Joe Alexander.
